## But, I could download the free Purity III Template!

The screenshot shows the Joomla! website interface. At the top, there is a blue banner with a 30% OFF coupon for JA Admin Template. Below the banner is a navigation menu with 'JoomlaLART' and various categories like 'TEMPLATES', 'EXTENSIONS', 'SUPPORT', 'DOWNLOAD', 'BLOG', 'DEMO', and 'MEMBER'. The main content area is titled 'Purity III' and has buttons for 'Info', 'Demo', and 'Docs'. Below this, a breadcrumb trail reads 'Download > Free Joomla Templates > Purity III'. A prominent red message box states: 'You need login to download this item. [Login](#) now.' Below the message is a table of available items for download:

<input type="checkbox"/>	NAME	TYPE	LAST UPDATE	VERSION	ACTION
<input type="checkbox"/>	Purity III	quickstart	Aug 08, 2016		<a href="#">Download</a>
<input type="checkbox"/>	Purity III Template <small>Changelog</small>	template	Jul 25, 2016	1.1.7	<a href="#">Download</a>

<input type="checkbox"/>	T3 System Plugin <small>Changelog</small>	plugin	Jul 22, 2016	2.6.0	<a href="#">Download</a>

At the bottom of the table is a blue button labeled 'Download Selected Files'. To the right of the table is a 'CATEGORIES' sidebar with a list of categories and their item counts:
