Following template is JA Mega Store. Required some changes;

Islamisk Centrum

Göteborg, Sverige

| | ☰ | ☰ | | HEM | ISLAM I SVERIGE ⌄ |
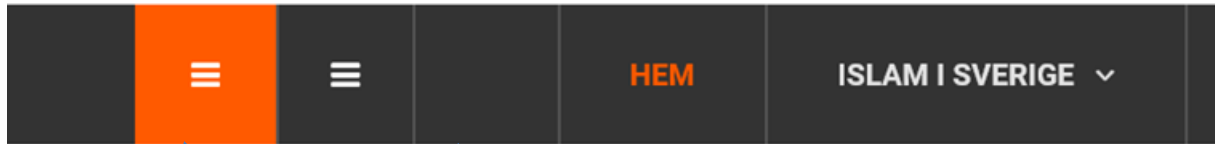

A- Take away above 4 menu places

B- How to reduce FONT size, I have 8 meus to adjust in one row.

Please guide me, I could not get any possible solution in template and module Menu.
Sorry to say, I have not succeeded to find proper adjustable template until now which can satisfy my customer.

With best Regards;
