

PURITY III HOME HAUSHALTGERÄTE SPIELE INDUSTRIELLE PRODUKTE KONTAKT

1) 4 menu: for each one there are other products and all with portfolio layout. Example: for menu "Siele" you see just "Siele" products but you can above choose other products. How can I do that?

2) Example with 3 products. How can I add the item-state (New, Free or Hot) and How can I add a new item-state?

Your perfect starting template, Purity III

Either it's your first time with Joomla or you are a developer already, Purity III won't let you down.

Code

```

<div class="container">
<div id="carousel-example-generic" class="carousel slide" data-ride="carousel">
<div class="carousel-inner">
<div class="item">
<div class="carousel-caption">
<h2>Your perfect starting template, Purity III</h2>
<p>Either it's your first time with Joomla! or you are a developer already, Purity III won't let you down.</p>
</div>
</div>
<div class="item">
<div class="carousel-caption">
<h2>This is the best FREE Joomla 3 template</h2>
<p>We have drunken too much of the bestshelip; but this responsive Joomla template truly is, and IT'S FREE!</p>
</div>
</div>
<div class="item active">
<div class="carousel-caption">
<h2>The next generation of Purity series</h2>
<p>Sophisticated in Design, Brilliant in Features. That's how we define Purity Series.</p>
</div>
</div>
</div>
<a href="#carousel-example-generic" class="left carousel-control" data-slide="prev"> <span class="glyphicon glyphicon-chevron-left"></span> </a> <a href="#carousel-example-generic" class="right carousel-control" data-slide="next"> <span class="glyphicon glyphicon-chevron-right"></span> </a></div>

```

For Slideshow I have pasted this code and it works. is there other better solution?
